Subject: Closure of Dry Creek Mine (S/021/026)

in July of 2007, the Division Notified the operator of this mine that we were withdrawing our approval unless he requested a Hearing -
The operator signed the Green Card - But no appeal was received.

This site has now been taken over by Progressive Contracting Inc.

Fox Pro still shows S/021/026 as inactive - It needs to be changed to 'Retired' status
